Boone County withdraws from regional smoke free discussion

Burlington, KY — The Boone County Fiscal Court issued a statement today after considering the regional smoke free issue. Below is a comment from each member of the court.

Judge/Executive Gary Moore said, "In the process of working on draft ordinances, it is clear there is no support among members of the Fiscal Court to consider this issue in Boone County no matter how it reads. At this time, Boone County is removing itself from the process of a regional smoke free ordinance."

Commissioner Cathy Flaig said, "I do not favor a ban on smoking. It is up to the business owner as to how they want to run their business on this issue. We need to stay out of the lives of private citizens. Government has no right to meddle with this. This is a private property rights issue."
