

# GUNPOWDER CREEK OPEN HOUSE AND PRESENTATION

## *Gunpowder Creek is Polluted*

Gunpowder Creek flows through the heart of the most populated areas of Boone County and is a vital resource to its citizens. The land that drains into Gunpowder Creek is home to approximately 50 % of Boone County residents. But did you know that sections of Gunpowder Creek are considered unfit for human contact ?

Everyone is encouraged to attend to learn more about the **Gunpowder Creek Watershed Initiative**, and what we can do to help protect and restore our beautiful stream.

## Gunpowder Creek Open House

Thursday, January 13, 2011
