Recycling, Writing, Rewards: Environmental Essay Contest

Boone County Solid Waste is happy to announce its return to environmental writing scholarship! The Eco-Topic Essay Contest offers students a chance to explore environmental issues, use critical thinking and creativity, and earn very cool prizes.

Students will be asked to create an essay based on a recycling topic and this year, the topics center on various aspects of recycling electronics.

A first, second, and third place winner in each category of elementary, middle, and high schools will be chosen, resulting in nine prize winners. Each first prize winner will receive a laptop computer, courtesy of Apex Technology Solutions, Inc. Each second prize winner receives a \$200.00 check and each third prize winner gets a \$100.00 check. Cash prizes are courtesy of Bavarian Waste Services and a private donor.

Each entry must have a completed entry form. For official rules and entry forms, please visit www.boonecountyky.org/bcswm or contact Becky Haltermon or Kelly Chapman at 334-3151 or bhaltermon@boonecountyky.org.

Entries must be delivered to Boone County Solid Waste on or before Friday, March 27. They can be mailed to Becky Haltermon, Boone County Solid Waste, 5645 Idlewild Road, Burlington, KY, 41005 or faxed to 859-334-3635.
