

TANK Opens North Bend Road Park and Ride in Hebron

Hebron, KY – The new North Bend Road Park and Ride in Hebron, KY is officially open for business -- and buses. The new park and ride is located across from Remke's in Hebron, off of the roundabout at Cardinal Way and North Bend Road.

The Park & Ride lot was built for TANK use by the Kentucky Transportation Cabinet as part of the North Bend Road widening project. The lot will be served by the 29X Hebron Express route and will deliver passengers to downtown Cincinnati with commuter service during weekday peak times. The first bus will leave the park and ride at 6:00 a.m. on Tuesday.

The North Bend Road P&R lot is TANK's second park and ride location in Hebron. The Limaburg Road Park and Ride will remain open and is also served by the 29X route.

Specific schedule information for the 29X and all TANK routes may be found at www.tankbus.org.
