

**EMERALD ASH BORER  
CITIZEN HANDS-ON MONITORING WORKSHOP**

---

**DATE:** April 27, 2011

**TIME:** 6:00 - 8:00 p.m.  
Food & refreshments will be provided

**WHERE:** Boone County Cooperative Extension Service (Claxon Room)  
6028 Camp Ernst Road  
Burlington, Kentucky

**REGISTRATION:** (859) 334-2196 (phone)  
There is no charge for this workshop

**DETAILS:** Learn what federal, state, and local officials are doing to monitor the spread of the Emerald Ash Borer (EAB). Be part of a volunteer team to view its movement in Boone County. This workshop will involve identifying where EAB has been found in Boone County, equipping volunteers with tools and knowledge to identify and assess conditions of ash trees in Boone, and set up a structure to yearly monitor locations to determine if EAB population is increasing in Boone.

**FEATURED SPEAKERS:** Dean Daugherty  
U.S. Department of Agriculture - Animal & Plant Health  
Inspection Service

**SPONSORED BY THE BOONE COUNTY URBAN FOREST COMMISSION**
